National Drug Code (NDC) Training Scheduled in November for Providers Who Bill for Physician-Administered Drugs

The HP Enterprise Services (HPES) Provider Services Field Representatives will conduct provider training sessions in November regarding National Drug Code (NDC) billing. The workshops will define fee-for-service billing requirements and resources for providers who bill for physician-administered drugs. HPES Pharmacy Benefits Management staff will be present at this training.

Limited seating is available. Please register soon for one of the sessions listed below by using the [2014 Provider Training Registration Form \(FA-41\)](#).

For questions, contact the HPES Training Department at NevadaProviderTraining@hp.com.
